

Renfroe Borrow Area

Putnam County

Neighborhood Meeting
December 17, 2020

Site Aerial – Existing Borrow Area

Summary

Existing borrow area has been in operation for years/decades. This application is to renew the Special Use Permit and allow tree debris and yard trash to be placed within the borrow area (in addition to soil/clay)

- Existing SUP and Variances approved in 2011
- SUP-20-007 Approved on 11/18/20

Located at 1844-1848 SR 20, Parcels 0000-0050-0010, 0000-0160-0000, 0000-0162-0010, and 0000-0163-0000

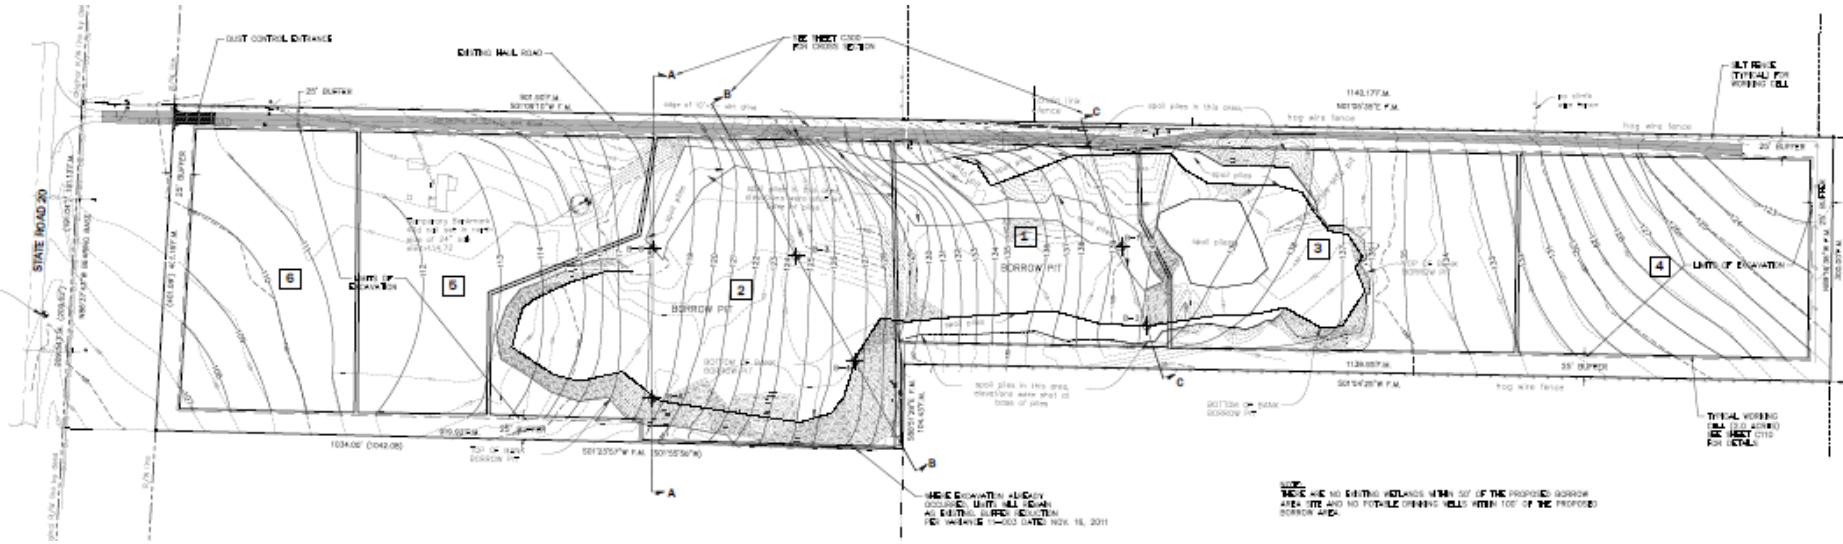

Description of Operations

Existing borrow area has been in operation for years/decades.

A borrow area allows for sand/dirt to be excavated and then land is reclaimed by depositing unsuitable/clay material in the site.

Trucks enter and leave the site through access road/driveway on SR20. A fence along the front of the property and access gate at driveway will be installed following SR 20 construction.

Site Plan

Permitting Process

Florida Dept. of Environmental Protection

- FDEP Permit – Issued 10/07/20

Putnam County

- Special Use Permit – Issued 11/18/20
- Site Plan Approval – Pending by DRC

Presentation will be posted to: <http://edafl.com/neighborhoodworkshops>
